INSTALL YOUR ROOF

1. BEST VALUE: Cheapest is not always best. We make sure you get top value for your dollar. Make no mistake about it this is your investment.

2. PERSONAL SERVICE: We are not anonymous we have a 24 hr. answering service with live personal who you may speak with 24 hours a day not a feeble answer machine or voice recoding.

3. UNBIASED: We work for you. We deal with a multitude of suppliers and roofing material manufacture's to provide you with the best products and price value.

4. EXPERT ADVICE: We have invaluable knowledge and expertise in the roofing industry with more than 30 yrs. of actual experience as well as having certified installers, estimators & consultants on board.

5. CONSUMER ADVOCATE: Our affiliation with the National Roofing Contractors Association (NRCA), League of California Home Owners / Volt View Tech Financing and the Better Business Bureau (B.B.B.) provides greater clout.

6. TIME SAVINGS: We use our own dump trucks, demolition crews, and our own installers. We make our own schedule, control our own schedule and complete our schedule. We do not depend on outside subcontractors or labor sources.

7. CONVENIENCE: One-stop shopping. We are a full service provider of all types of residential and commercial roof installations including seamless 5 and 6-inch aluminum rain gutter systems. We are also a full service repair company.

8. PROFESIONAL ADVISES: Our estimators are all former installers with over 60 yrs. of combined practical experience in both commercial and residential roof systems and repairs. Our experience as well as our membership with roofing organizations and our affiliation with the different manufactures of roofing products and achieving the status of being a certified contractor by the City of L.A. provides us with access to vital information that will benefit you and the durability of your roof for years to come.

9. INSURANCE: We are Licensed, Bonded and insured. We carry full coverage automobile insurance, as well as, 2 million dollar umbrella liability insurance and workman's comp insurance to protect you and your home.

10. PEACE OF MIND: We are celebrating 20yrs. in business with a clean record with the Contractors' License Board. We have been here for all our previous customers and will be here for all our future customers. Roofing is the one and only thing we do. So when we say Installing Peace of Mind, we say it with confidence and pride based on a proven track record from 20yrs. past.
